

Hiring Organization: Lofty-Corban Investments Limited

Job Title: Investment Analyst

Location: Nairobi

Role Summary

We are seeking a detail-oriented, analytical, and highly motivated Investment Analyst to join our investment team at Lofty-Corban Investments Limited. The Investment Analyst will be responsible for conducting deep-dive fundamental research, analyse market trends, economic indicators, build financial models, and providing actionable investment recommendations that drive our investment strategy.

The ideal candidate possesses strong analytical skills, a deep understanding of financial markets, and the ability to provide insightful recommendations to drive the investment strategy.

Key Responsibilities

- **Financial Modeling & Valuation:** Building and maintaining financial models to estimate the value of companies, stocks, and other assets.
- **Research & Data Collection:** Gathering data from company financial statements, industry reports, and specialized terminals like **Bloomberg** for analysis
- **Market Monitoring:** Tracking global economic trends, political developments, and regulatory changes to identify investment opportunities and assess the potential impact on investment performance.
- **Report Generation:** Drafting in-depth research reports and presentation materials that summarize findings and provide clear buy, sell, or hold recommendations.
- **Portfolio management Support:** Assisting in the construction, periodic rebalancing, performance tracking and providing regular updates on news that may impact investment thesis of investment portfolios based on risk tolerance and client goals.
- **Stakeholder Interaction:** Meeting with company management, investor relations teams, and industry experts to gain qualitative insights into business prospects.

Key Skills and Qualifications

- Bachelor's degree in Finance, Economics, Accounting, or a related quantitative field.
- Progress toward or completion of the **CFA (Chartered Financial Analyst)** designation or **CIFA** qualification is highly preferred.
- **At least 2 years of experience in equity research, investment banking, or asset management.**
- ICIFA membership

- Proficiency in Microsoft Excel and familiarity with financial databases; Strong Understanding of Accounting standards and financial statements.
- Strong analytical thinking, attention to detail, and the ability to communicate complex data clearly to non-technical stakeholders.
- Experience with advanced financial modelling and data analysis tools (Python, SQL).
- Knowledge of equity, fixed-income, and alternative investment products.
- Experience with portfolio management systems and investment platforms.
- Knowledge of tax laws, regulations, and their impact on investment strategies.
- Familiarity with global markets and macroeconomic indicators

How to Apply

If you are up to the challenge and possess the necessary qualifications and experience, please send your CV only quoting the job title in the email subject (**Investment Analyst**) to **hr@loftycorban.com** before **4th February 2026**

NB: Only shortlisted candidates will be contacted. If you do not receive any communication from us within two weeks of your application, kindly consider your application unsuccessful. We appreciate your interest and thank you for applying
